RASSAILL NOTES.

A game of baseball was played

between between a patrol of

Petersburg Grays, Capt.

Miller in charge, and a nine of

baseball, Captain Hedges,

and his men, the game being

held at the base ball field.

Mr. Dr. Felix, of the First Baptist Church, preached another sermon last evening, and was received with great enthusiasm, and was asked another

thing: "What do you think if there was more

prayer and less opposition on the part of parents and teachers?"

He was very severe on the practice of flinging. Flinging, said he, arose from a level of vanity.

As an illustration, he held up

the hands of a young people,

and said, "Look at the

strength of your fingers."

At the close of the sermon, he

asked the congregation to

pray for treatment, and to

leave well alone.

Mr. Miller left last evening

for Chicago for some days.

The Democratic members

of the school have been informed

that their band would be elec-

tected.
